

EXHIBIT SPACES AT MARTIN LUTHER KING JR. MEMORIAL LIBRARY

There are four exhibit spaces on the first floor of Martin Luther King Jr. Memorial Library. The 10th & G Exhibit space is located in the southwest corner.

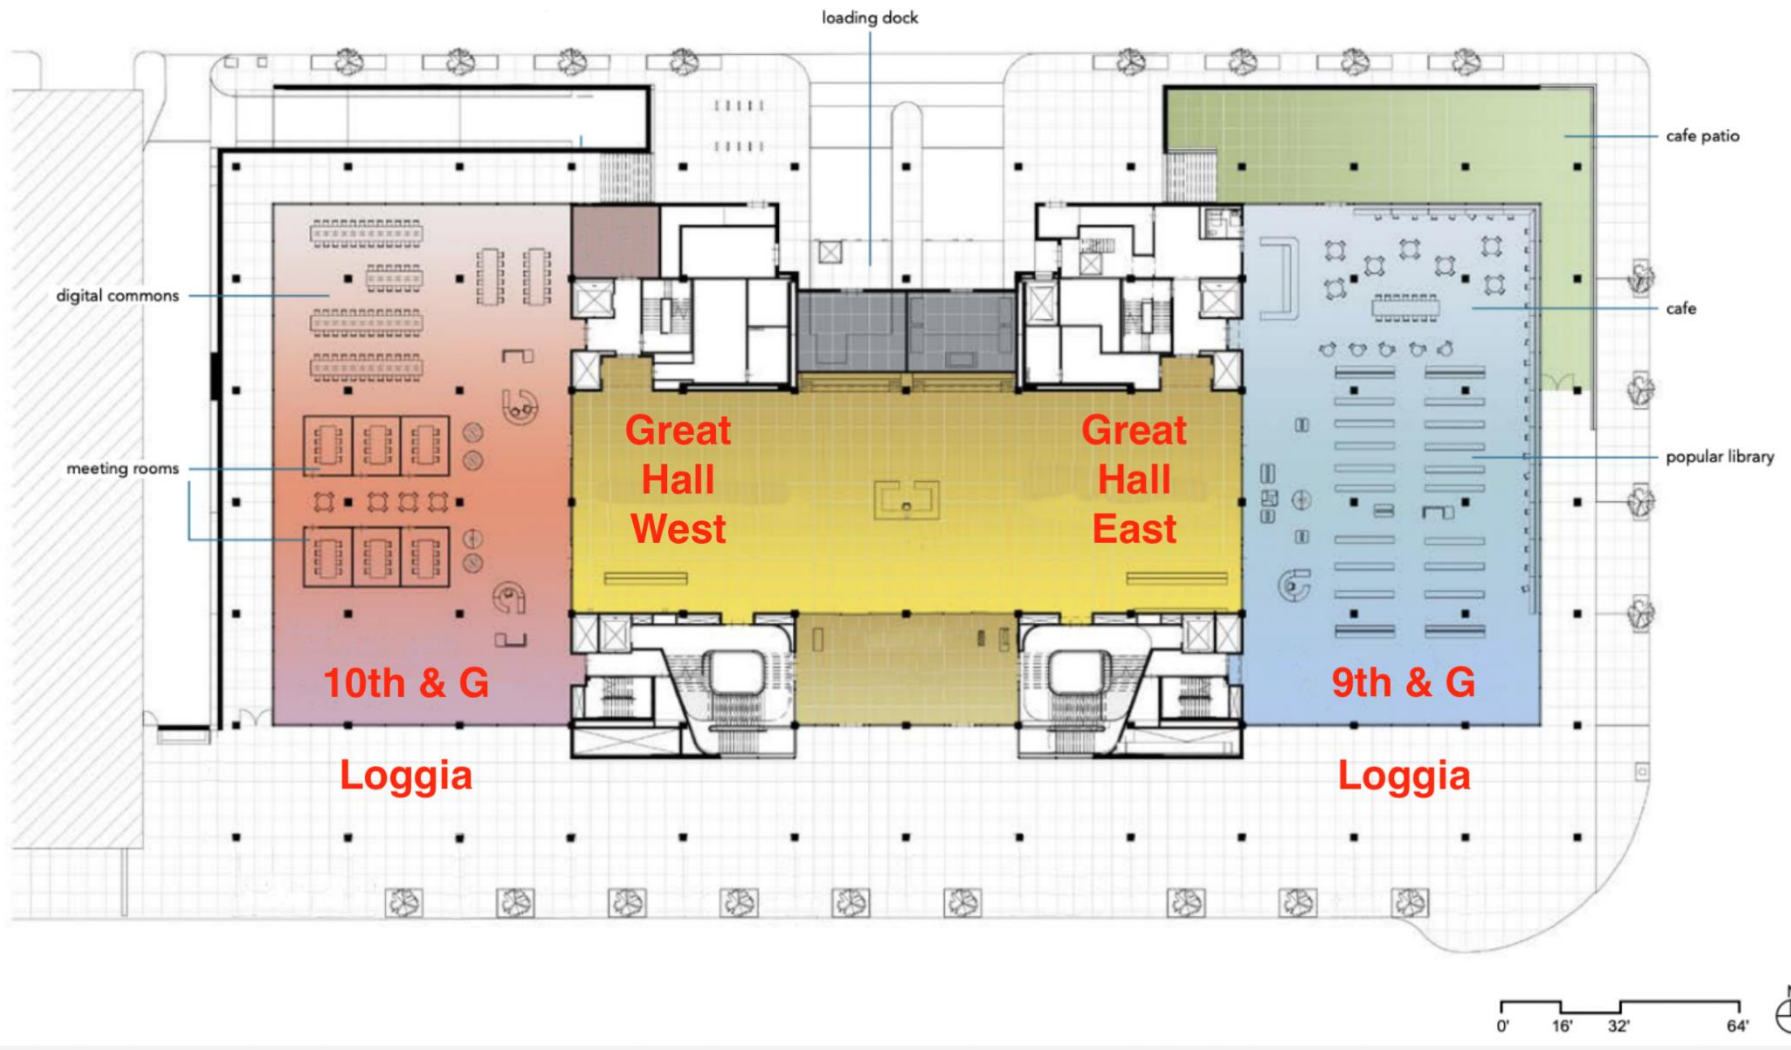

EXHIBIT SPACES AT MARTIN LUTHER KING JR. MEMORIAL LIBRARY

The 10th & G Exhibit Space is in a corner with windows on the south and west sides. The space does not have any direct access to the outside. The measurements shown are approximate.

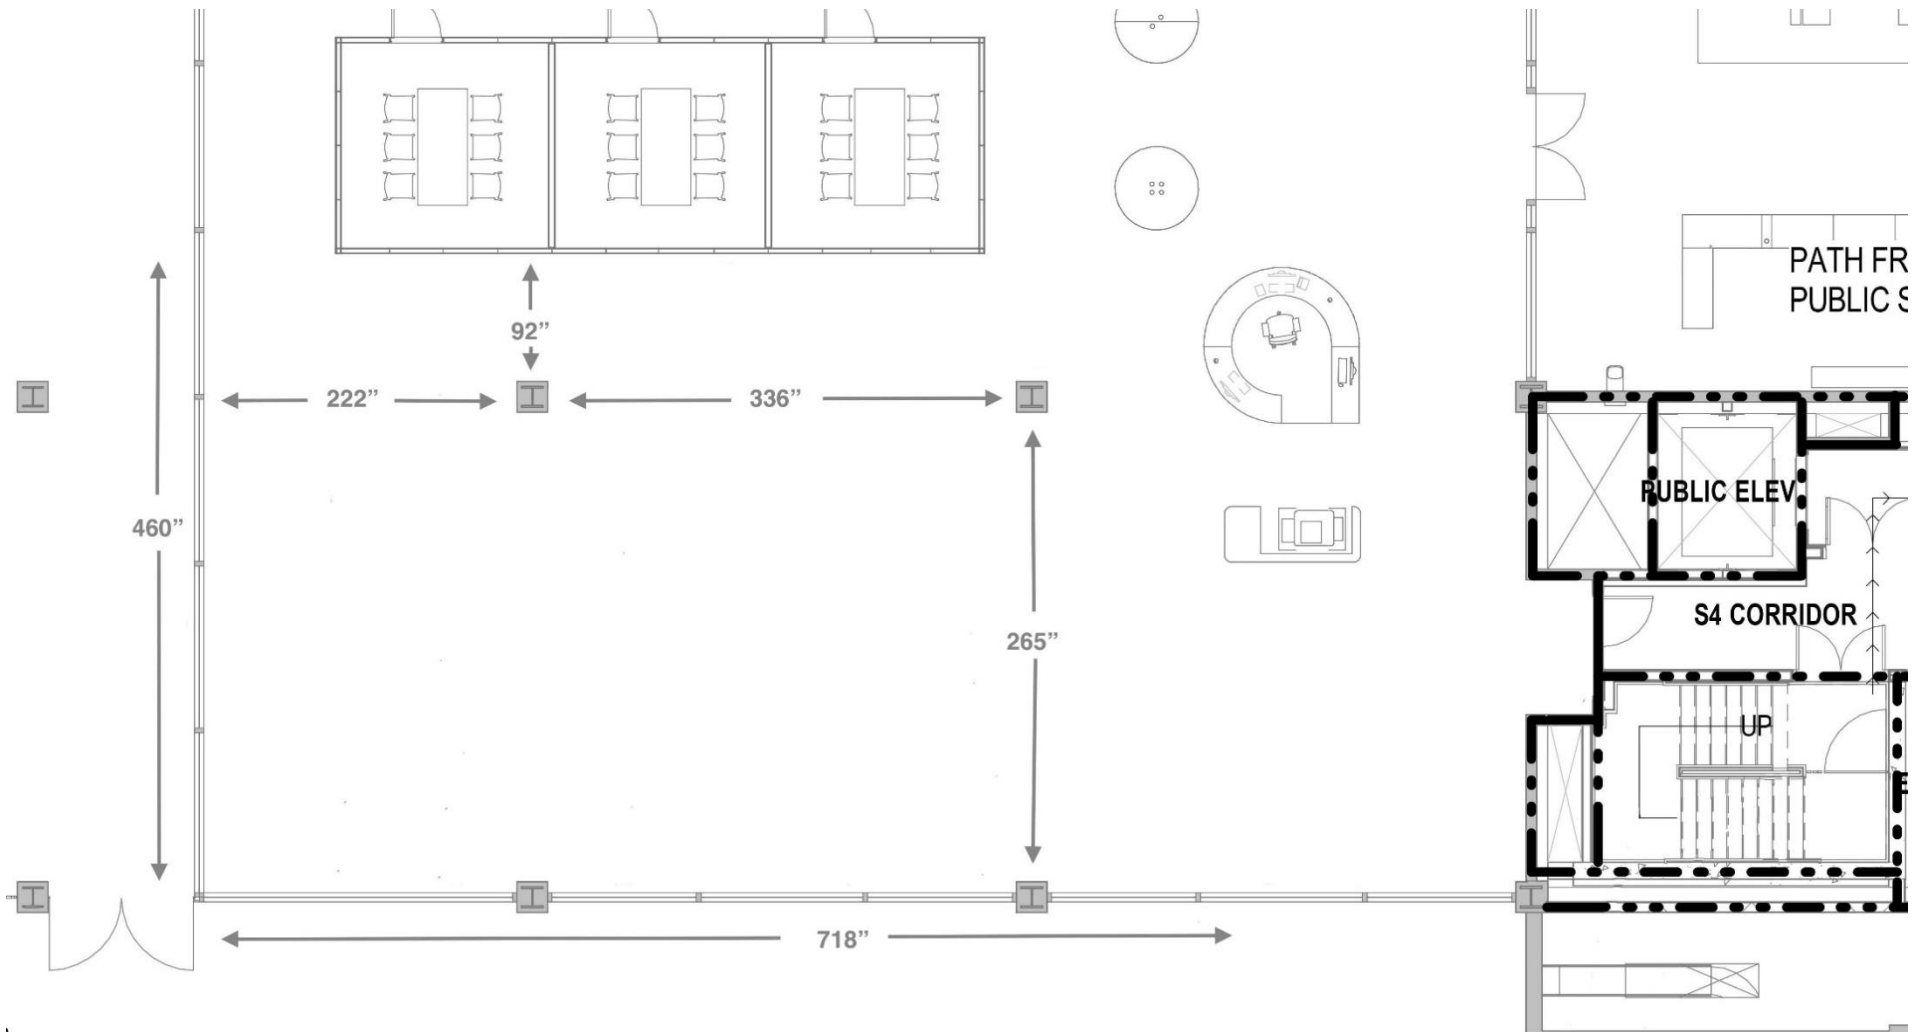

EXHIBIT SPACES AT MARTIN LUTHER KING JR. MEMORIAL LIBRARY

At the entrance to the space is an information desk and a copier station. Within the space there are two 22" by 22" pillars. The desk, copier station and pillars are not moveable. The measurements shown are approximate.

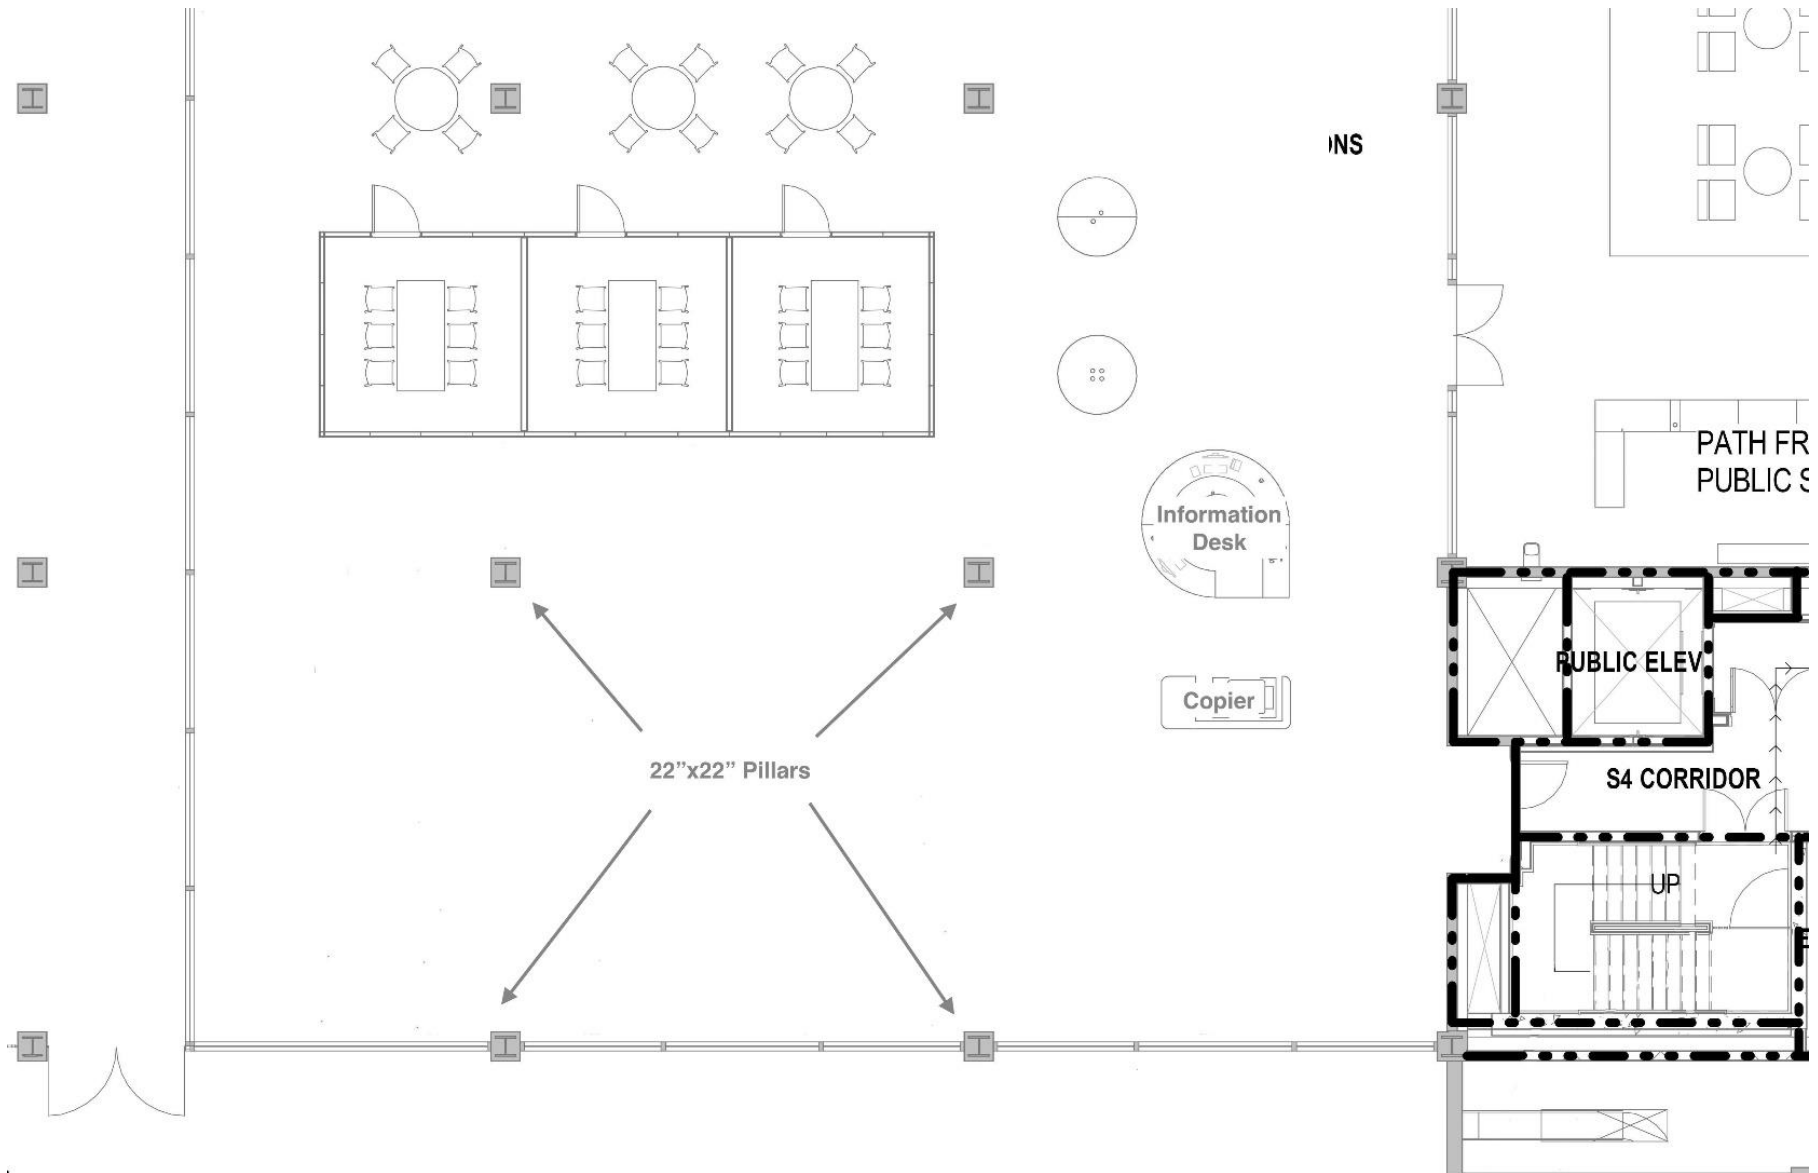

EXHIBIT SPACES AT MARTIN LUTHER KING JR. MEMORIAL LIBRARY

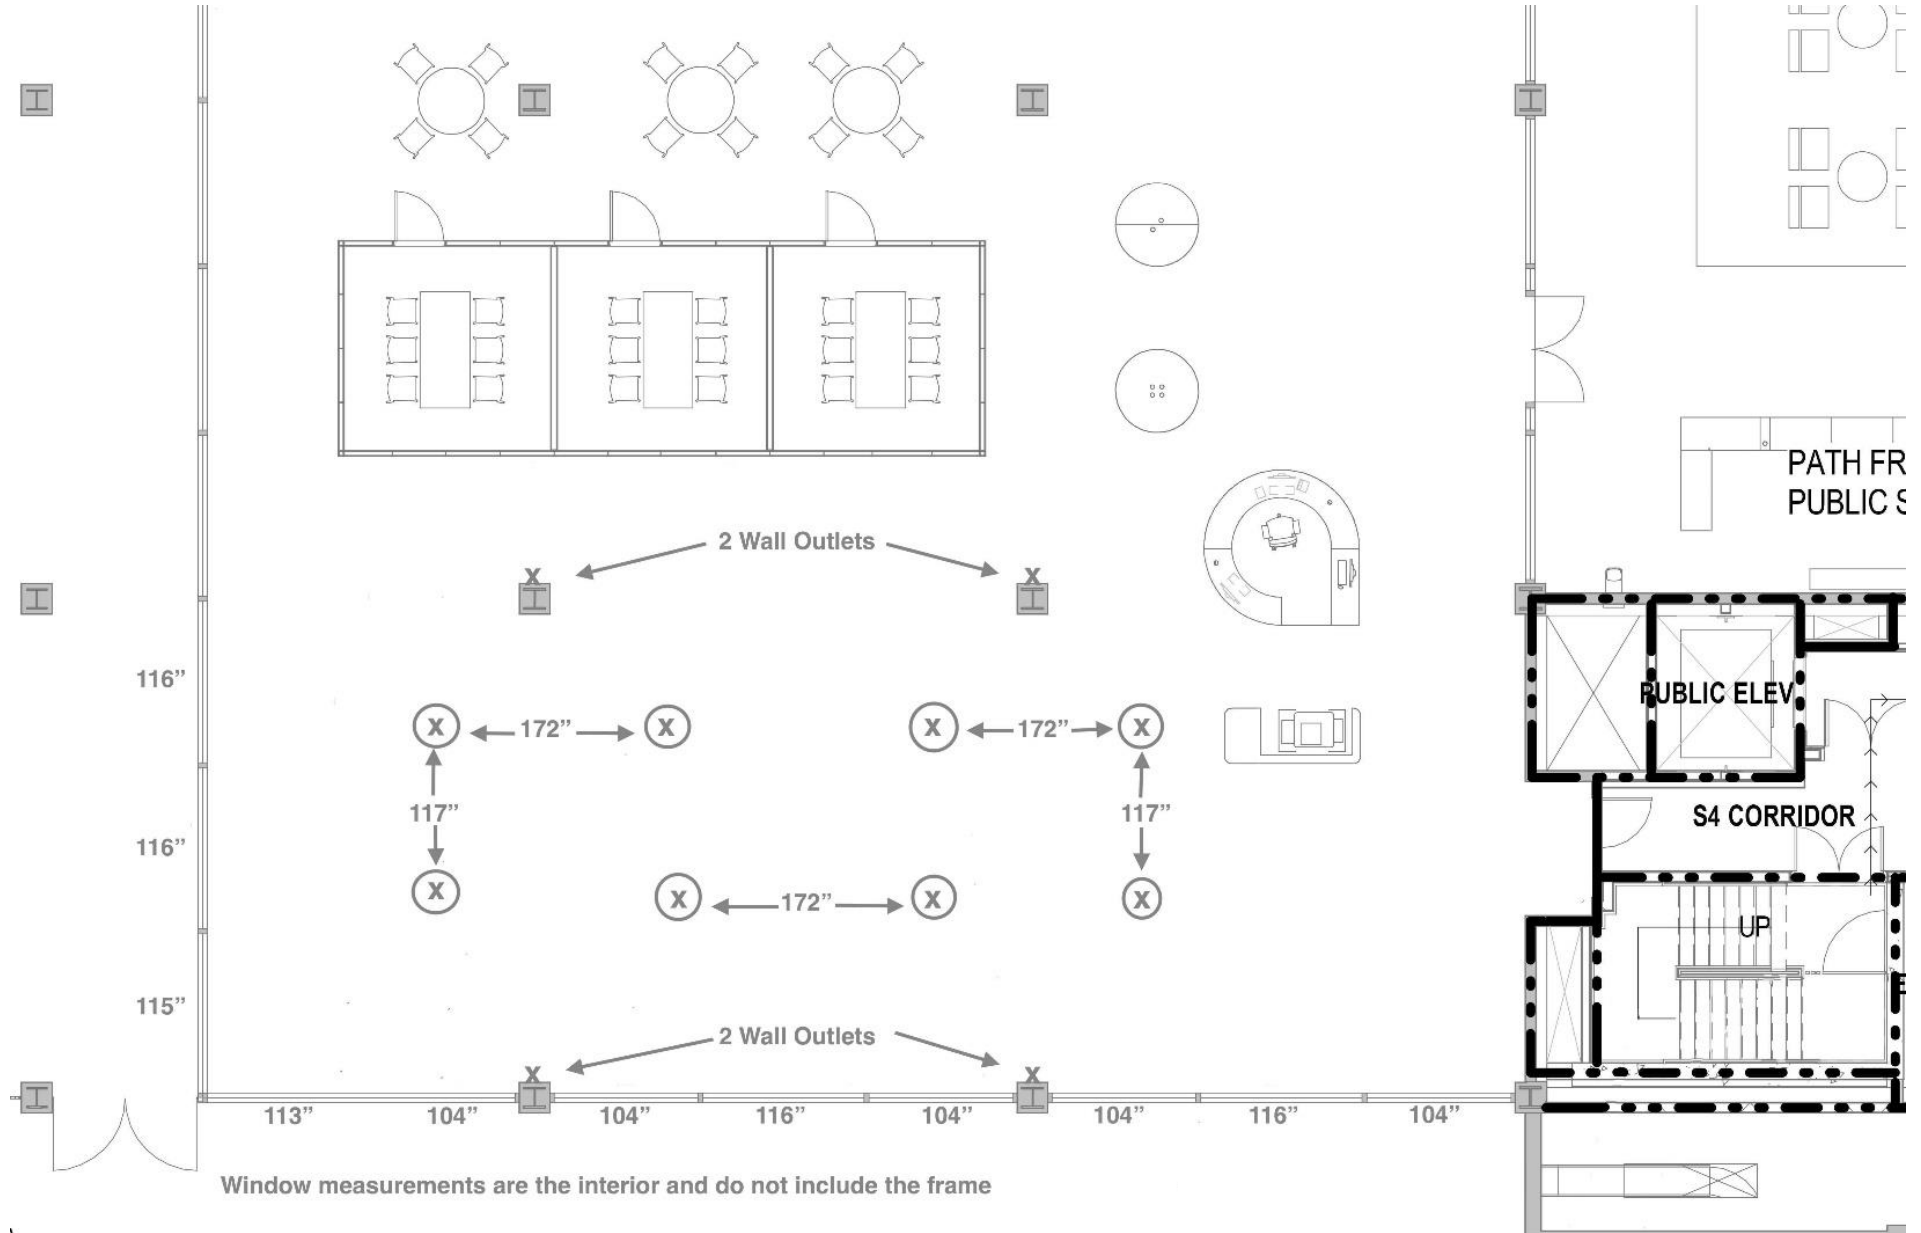

The overall total area of the 10th and G St exhibit space is about 56' wide by 24' deep. Space will be allocated within this area on a case by case basis and coordinated with other library functions. Gallery walls are installed within this area.

Exterior view of the south row of windows. These are the windows that can be viewed from the sidewalk on G Street. The windows on the west side of the exhibit space face a courtyard that does not have public access.

One of the two rows of floor outlets.

Interior of one of the floor outlets

One of the 4 wall outlets located on the north side of the pillars.

Mobile gallery walls may be installed at the Library's discretion. Each panel is 137.79" tall and 39.37" wide.

Gallery walls may be installed in "L" "T" "U" and "V" configurations. Each layout must be carefully reviewed for safety, stability, and accessibility considerations.

A sample past gallery wall configuration in the 10th and G Street NW exhibit area is shown here.
